

Welcome to West Chelsea Veterinary

We're pleased to introduce you to our beautiful, brand new, state-of-the-art facility. We've built our hospital with you and your pet in mind and we're committed to providing the same thorough and compassionate veterinary care you've come to expect from West Chelsea Veterinary. Our innovative hospital's advanced features allow our expert staff and team of doctors to continue offering the very best veterinary care available today.

In our new facility, we now offer a more spacious and comfortable reception area, 6 examination rooms, a larger surgical suite and cutting-edge dental procedure alcove. Our unique, high-visibility ICU area guarantees maximum oversight of our critical care and surgical recovery patients. We've even added more kennel space for our in-patients and have increased the number of six-foot runs for larger breed dogs that require all day visits or hospitalization.

Come by for a visit. We believe you'll love our new home and we're thrilled to share it with you!

West Chelsea Veterinary Welcomes Jennifer B. Berg, DVM

Born and raised in Milwaukee, Wisconsin, Jennifer B. Berg, DVM spent her childhood summers on a dairy farm in northern Wisconsin, where her time was dedicated to caring for the farm's calves and barn cats. Dr. Berg began her life's work in the veterinary profession working as a "kennel girl" at a local animal hospital, and has since held jobs in almost every role in small animal practice. She attended the University of Wisconsin for her undergraduate studies and continued on to earn her degree from University of Wisconsin School of Veterinary Medicine in 1997. Upon completing her clinical year in veterinary school, Dr. Berg received the Gottschalk Award for Clinical Competency. After her graduation from veterinary school, Dr. Berg completed a year-long Internship at the Animal Medical Center in New York City. She has since made New York her home, working for 10 years as an associate veterinarian in Manhattan before deciding to join the team at West Chelsea Veterinary. Dr. Berg has special interests in the areas Dermatology, Endoscopy, Laparoscopy and Ophthalmology. She currently lives in Tribeca.

Top 5 Summertime Tips For Pet Owners

- Keep Pets Hydrated and Cool
- Never Leave Your Pet In a Hot Car
- Watch for Signs of Heat Stroke
- Have Up-to-Date Tags or Microchip to Help Find a Lost Pet
- Fleas, Ticks and Heartworms are a Bigger Threat in the Summertime.

About West Chelsea Veterinary

West Chelsea Veterinary was founded in 1997. Our exceptional health care team provides the highest quality of care to our patients and those who love them. We take great pride in our state-of-the-art facility and our commitment to practicing cutting edge medicine and diagnostics. We are dedicated to giving our clients the guidance they need to make informed decisions with regard to their pet's health.

At West Chelsea Veterinary, we consider each pet to be special and unique, and we will treat your treasured companion with the same caliber of care as we demand for our own.
